Dear Mercedes-Benz Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler AG ("DAG"), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year ("MY") 2015-2019 C-Class (205 platform), E-Class (213 platform), E-Class Coupe (238 platform), and CLS-Class (257 platform) vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the Concern?

DAG determined that on certain MY 2018-2019 C-Class (205 platform), E-Class (213 platform), E-Class Coupe (238 platform), and CLS-Class (257 platform) vehicles with rear-wheel drive, a locknut in the steering rack might have internal material cracks. Additionally, six MY 2015-2017 C-Class (205 platform) vehicles were identified as having been previously repaired using the affected locknut.

In certain driving situations involving low-speed maneuvers, large lateral forces could cause the locknut to break. As a result, the steering could fail which would increase the risk of a crash.

To remedy this issue, an authorized Mercedes-Benz dealer will replace the steering rack on the affected vehicles. Unfortunately, the parts to remedy this is currently not yet available.

We are working to obtain the necessary parts to correct this condition as quickly as possible. When the parts become available, we will send you another letter asking you to take your vehicle to an authorized Mercedes-Benz dealer to have the recall completed free of charge.

Should you have any concerns or questions regarding your vehicle before you receive the next recall letter when parts are available, please contact an authorized Mercedes-Benz dealer. If for any reason a dealer is unable to remedy your situation, we are always happy to hear from you. Please contact us at 1-800-367-6372. A new vehicle identification number (VIN)-based recall lookup tool, on our MBUSA.com website, now offers a search function that will indicate whether a vehicle has been subject to a safety recall, and whether that vehicle has had the free remedy performed. Please visit www.MBUSA.com/recall.

If you are no longer the vehicle owner, or have a change of address, please complete the reverse side of this letter and return the complete letter in the enclosed envelope. If this is a leased vehicle and the lessor and registered owner receive this notice, please forward this information by first class mail to the lessee within 10 days to comply with federal regulations.

If a Mercedes-Benz dealer for any reason is unable to remedy the situation without charge, or within a reasonable amount of time, pursuant to law 49 U.S.C. Chapter 301, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590 or call the toll-free Auto Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to <http://www.safercar.gov>.

We regret any inconvenience this situation may cause you.

Sincerely,
