Date: January 18, 2019

Subject: N182204040-02 – Safety Recall
Seat Belt Buckle Rivet
Revised Procedure and Warranty Information

Models: 2019 Cadillac XTS

To: All General Motors Dealers

General Motors is releasing Safety Recall N182204040-02 today. This bulletin has been revised to include the front seat belt buckle replacement in the service procedure section. The warranty information section has also been updated. Please discard all previous copies of N182204040.

Dealers were notified of this safety recall and the pass or fail functional inspection procedure on December 17, 2018. Once the service procedure contained in the revised bulletin has been performed on the vehicles that did not pass the functional inspection, the vehicle is released from stop delivery and the vehicle can be delivered to the customer.

Customer Letter Mailing

The customer letter mailing will be in mid-February.

Global Warranty Management (GWM)

The Investigate Vehicle History (IVH) screen in the GWM system was updated today, January 18, 2019. A list of the involved vehicles in dealer new inventory is **now** attached to this message.
