

*Safety Bulletin I-19-01 Accessory Brake Lever Robocall Content*

*Hi. Please hold for a message from Indian Motorcycle. Indian Motorcycle is contacting you about a Safety Recall notice regarding Accessory Brake and clutch lever kit 2883795 for Scout and Bobber models, which was published in February 2019. The brake lever may have a free play adjustment screw not correctly installed which can result in front brake drag, unintentional front brake application, and potentially locking of the front wheel. Your Indian Motorcycle dealer has been authorized to complete the necessary repairs outlined in Safety Bulletin I-19-01. If you chose to contact your dealer, please do so as soon as possible to schedule a free recall service repair. If you no longer own the vehicle or have already had this work completed, please disregard this message. Thank you*
