

Update for Recall 19E-035

As of date 7/26/2019

- Transfer Flow Inc. has provided BraunAbility with eight hundred and eleven (811) brake line tube nut adapters (070NU34247 M10-1 x 3/8-24) to remedy the non-conforming parts.
 - All adapters provided at zero cost to Braun
- A total of seven hundred (700) non-conforming parts needed to be recalled and remedied
 - Therefore, TFI has supplied BraunAbility with one hundred and eleven (111) extra adapters
