Subject: Roof Hatch Glass may Shatter

Dear Mr. Vismara:

This letter serves to acknowledge Gillig LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

TRANSPEC/GLASS ROOF HATCH/9999

Mfr's Report Date: June 19, 2019

NHTSA Campaign Number: 19E-041

Components:

STRUCTURE:BODY:DOOR/WINDOW:EMERGENCY EXIT

Potential Number of Units Affected: 7

Problem Description:

Gillig LLC (Gillig) is recalling certain Transpec T287X Series glass roof hatches sold as aftermarket parts. Temperature and vibration stresses may cause the tempered glass roof hatch to shatter.

Consequence:

If the tempered glass roof hatch shatters, glass fragments may fall onto passengers, increasing the risk of an injury.

Remedy:

Gillig will notify owners, and the glass hatch manufacturer will provide replacement hatch lids. The recall is expected to begin July 13, 2019. Owners may contact Specialty customer service at 1-800-951-7867 or Gillig at 1-510-264-5073 or 1-800-735-1500.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

We have received Gillig's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

Joshua Neff
Acting Chief, Recall Management Division
