****UPCOMING - Takata Rental Vehicle Restructure****

**Multiple Models and Model Years
Takata Front Airbag Inflator**

To simplify claim filing, the loaner/rental vehicle reimbursement procedure is currently being restructured for all of the Takata Safety Recalls.

- Toyota expects that the new procedure will be available during the week of March 18th.
- Additional notices will be provided once the updated dealer letters become available.

Reminder: Rental is available for all Takata recall related campaigns for those customers who need a loaner or rental vehicle due to the inconvenience.

Thank you for your cooperation.
