REF #: ICI19-027

Effective: 05/22/19

Release: 05/24/19

SUBJECT: INT FL806 – Second Revised Bulletin

This letter is to inform you that a second revised bulletin for Interim Recall INT FL806 Freightliner Cascadia Steering Wheel Airbags is available on DTNAConnect. Please print and use the second revised bulletin for all work under INT FL806 from this point forward.

SECOND REVISION:

- An inspection for the driverside sun visor airbag sticker has been added to step 1.
- Instructions for relocating the GNDP stud have been added in step 9
- Instructions for a damaged GNDP floor stud have been added in step 10.
- The torque value for the GNDE pass through stud has been corrected.
- The contact information for the airbag manufacturer has been edited in step 15.
- An addendum regarding removed airbag consolidation has been added to the end of the bulletin.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNAConnect.
