

**SC174 – 2011-2012 MY SPORTAGE ENGINE OIL PAN LEAK  
SAFETY RECALL CAMPAIGN  
Q & A**

**June 28, 2019**

**Q1. What type of campaign is Kia conducting?**

A1. *Kia is conducting a safety recall campaign on certain 2011-2012 MY Kia Sportage vehicles.*

**Q2. What vehicles are affected by the recall?**

A2. *Certain 2011-2012 MY Kia Sportage vehicles manufactured from June 11, 2010 through February 13, 2012.*

**Q3. How many customer vehicles are affected by this recall?**

A3. *Approximately 31,645 Kia Sportage vehicles are affected by this recall campaign.*

**Q4. What is the condition?**

A4. *The oil pan may have been improperly sealed during engine production. As a result, if the vehicle is continued to be driven with an oil leak, damage to the engine can occur and the vehicle could stall while in motion, increasing the risk of a crash. There is also the possibility that a fire could occur, increasing the risk of injury.*

**Q5. Are there any warnings associated with the recall condition?**

A5. *The following warnings may identify that the recall condition is present. These include 1) oil on the ground after the vehicle is parked, 2) oil traces or residue on underbody surfaces of the vehicle, 3) smell and/or smoke associated with oil on hot surfaces, 4) the illumination of the Check Engine*

*(Malfunction Indicator)*

*Light and/or the Engine Oil Pressure Warning*

*Light in the*

*Instrument Panel; and 5) reduced power/hesitation.*

***Owners who notice any of the warnings described above, are to contact Kia's Roadside Assistance to have the vehicle towed to the nearest authorized Kia dealer to have the vehicle inspected. The owner will not be charged for this inspection if the dealer confirms oil is leaking from the oil pan.***

**Q6. Can you describe the recall campaign and fix?**

A6. *Kia has advised its authorized dealers to replace the Oil Pressure Switch (OPS) with an improved one that will detect the early onset of oil leaking. In addition, dealers will inspect the oil pan for any oil leaks. If an oil leak is found, the oil pan will be replaced at no cost for parts or labor to the customer.*

**Q7. How will owners of the affected vehicles be notified?**

A7. *Kia will send a follow-up notification letter on July 3, 2019, advising that the remedy repair is now available. The purpose of the letter is to inform owners of Kia's recall implementation plan. Kia previously sent an interim letter notifying owners of the affected vehicles beginning on **April 10, 2019**.*

**Q8. What should vehicle owners do when they receive the notification?**

*A8. Upon receipt of the follow-up notification letter, owners are to contact their Kia dealer to arrange for the repair to be performed.*

**Q9. How was the issue discovered?**

*A9. Through the regular monitoring of field information.*

**Q10. Have there been any deaths, injuries or accidents as a result of this condition?**

*A10. No.*

**Q11. Will this cost vehicle owners any money?**

*A11. No. The inspection, and if necessary, any repair will be at no cost to the customer.*

**Q12. What about customers who may have already paid to have engine oil pan leak related repairs done?**

*A12. If a customer has incurred expense to remedy this issue prior to the date of this notice, the customer may have the opportunity to obtain reimbursement for that expense. Customer may submit their receipts online to Kia via the Owners section (Contact Kia) of [www.kia.com](http://www.kia.com) OR mail their documentation with the completed Request for Reimbursement Form included with this letter directly to Kia for review and consideration at the following address:*
