Subject: Seat Back may not Stay Upright

Dear Mr. Larsen:

This letter serves to acknowledge Eldorado National-Kansas's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
GOSHEN/IMPULSE/2015-2016

Mfr's Report Date: March 1, 2019

NHTSA Campaign Number: 19V-153

Components:
SEATS

Potential Number of Units Affected: 16

Problem Description:

Eldorado National- Kansas (Eldorado National-Kansas) is recalling certain 2015-2016 Goshen Impulse shuttle buses equipped with Freedman GO-ES Foldaway Seats. When the back seat cushion is rotated from the stowed position to the upright position, the seat cushion may not remain locked into place when under load, such as in a crash or a sudden stop.

Consequence:

In the event of a crash, if the seat back moves, the seat occupant has an increased risk of injury.

Remedy:

Eldorado National-Kansas will notify owners, and Freedman will repair the foldaway seat, free of charge. The recall is expected to begin April 26, 2019. Owners may contact Eldorado National-Kansas customer service at 1-800-955-4236 or Freedman customer service at 1-800-443-4540.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

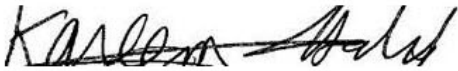

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to Eldorado National-Kansas instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. Please identify if your company will be filing these reports or if Freedman has agreed to file them on your behalf.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,
