Description of Remedy :

Description of Remedy Program : Please contact 1-800-384-4400 to arrange the repair of the VOM74MM monitor which includes adding a harness/relay/capacitor module free of all charges. ASA Electronics will be happy to work with your local dealer service center or fleet maintenance shop to schedule a successful installation. The VIN number, VOM74MM serial number, and Chassis Type will be required for ASA to supply the best repair kit and instruction.

If you have additional questions, please contact ASA's Customer Relationship Center at 1-800-384-4400 and one of our representatives will actively assist you. Field repair installation instructions are also available if needed. Our office hours are Monday through Friday: 7:00AM – 6:00PM (EST).

If you wish to contact us through email, please send all inquiries to: recall@asaelectronics.com

Installation of the harness/relay/capacitor module may take up to 30 minutes. However, due to service scheduling times, your service provider may need your vehicle for a longer period.
