Potential Number of Units Affected: 124

Problem Description:

VT Hackney, Inc. (VT Hackney) is recalling certain 2018-2019 Beverage Body vehicles equipped with ASA Electronics back-up camera displays recalled under 19E-009. The displays may revert back to the factory default settings which may cause the camera image to be reversed.

Remedy:

VT Hackney has notified owners, and provide repair kits that prevent the image from reversing, free of charge. The recall began May 6, 2019. Owners may contact VT Hackney customer service at 1-800-763-0700, extension 2016.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to VT Hackney's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
