TO: Mazda Service & Parts Managers

DATE: May 15, 2019

SUBJECT: Push Shipments - Recall Campaign 3319D – Mazda3 Indicator Concern

On Wednesday, May 15th Mazda will place sales orders for the indicator assembly needed to complete this recall repair; part number **BDGF-55-260B**. These part shipments can help your dealership repair vehicles in your inventory and ensure stock is available for any concerned customer.

The orders will start processing on Thursday and you should receive parts on your next DDS delivery day. In eMDCS you can reference the order number as **"RECALL 3319D"**.

For additional questions, please don't hesitate to email the Dealer Assistance Group at corpdag@mazdausa.com or call 877-727-6626 – Option 2.

Please make certain the appropriate personnel in your dealership are aware of these push shipments and are familiar with the details for this recall.
