**Subject: Compliance Recall 94L9 – Headlight Adjusting Screw Caps
2012-2020 Model Year Volkswagen Passat & 2018-2019 Model Year Volkswagen Atlas**

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that certain 2012-2020 model year Volkswagen vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) 108, *Lamps, Reflective Devices, and Associated Equipment*. Our records show that you are the owner of a vehicle affected by this action.

What is the issue? The headlights are not permitted to have a horizontal adjustment for vehicles certified according to regulatory requirements. The horizontal adjuster is blocked from further adjustment by means of a cap (after the initial adjustment is performed in the production process). Some vehicles did not have the required cap installed. Incorrectly adjusted headlights may result in reduced visibility (for the driver and other motorists) which could increase the risk of a crash.

What will we do? To correct this noncompliance, your authorized Volkswagen dealer will inspect and, if necessary, install missing headlight adjusting screw caps. This work will take a few minutes to complete and will be performed for you free of charge.

What should you do? Please contact your authorized Volkswagen dealer without delay to schedule this recall repair. To set up an appointment online, please visit www.vw.com/find-a-dealer.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Can we assist you further? If your authorized Volkswagen dealer fails or is unable to complete this work free of charge within a reasonable time, or if you should have any questions about this communication, please reach out to us using your preferred method of communication at www.vw.com/contact or by calling us at 800-893-5298.
