Ms. Terri Tobias  
Regulatory Compliance Manager  
Jayco, Inc.  
903 South Main Street  
P.O. Box 460  
Middlebury, IN 46540

NEF-150KL  
19V-406

**Subject:** Brake Relay Valve Air Flow Restriction/FMVSS 121

Dear Ms. Tobias:

This letter serves to acknowledge Jayco, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

JAYCO/GREYHAWK/2020

**Mfr's Report Date:** May 30, 2019

**NHTSA Campaign Number:** 19V-406

**Components:**

SERVICE BRAKES, AIR:DISC

**Potential Number of Units Affected:** 23

**Problem Description:**

Jayco, Inc. (Jayco) is recalling certain 2020 Greyhawk motorhomes. The brake relay valve may have an air flow restriction due to a partially blocked orifice, which may cause to extended stopping distance. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 121, "Air Brake Systems."

**Consequence:**

An increase in stopping distance without warning increases the risk of crash.

**Remedy:**

Spartan will notify Jayco owners, and Spartan dealers will inspect and replace the brake relay valve, if necessary, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Spartan customer service at 1-800-543-5008 or Jayco at 1-800-517-9137.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Per the requirements of 49 USC 30119, please provide the part number, name and description of the component or components that need to be replaced to remedy this recall condition. This information should be provided in an amended 573 in the "Describe what distinguishes the remedy component from the recalled component." section.

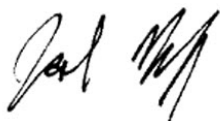

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kristin Lepper who may be reached by phone at 202-366-5227, or by email at [kristin.lepper@dot.gov](mailto:kristin.lepper@dot.gov). We look forward to working with you.

Sincerely,

Joshua Neff  
Acting Chief, Recall Management Division  
Office of Defects Investigations  
Enforcement
