

## **IMPORTANT: SAFETY RECALL REMINDER**

In June 2019, we notified you of a Safety Recall involving the Crankshaft on your 2018 CRF250L/LA, CRF250LR/LRA RALLY, 2018 CBR300R/A, 2018-2019 CMX300/A or 2019 CB300R/A motorcycle. At the time, we advised owner's of the following:

**Honda has determined that a circlip that secures the transmission gear to the main shaft could detach and result in gear misalignment. A misaligned gear can:**

- 1) shift the transmission from neutral into gear during engine start, potentially resulting in unexpected motorcycle movement; or**
- 2) seize the transmission and rear wheel while the motorcycle is in motion.**

**Either outcome increases the risk of crash or injury.**

According to our records, you have not yet had your affected motorcycle repaired. Please call your authorized Honda motorcycle dealer to schedule an appointment as soon as possible. This recall repair will be performed free of charge.

If your motorcycle has already been repaired, or if you no longer own this motorcycle, please let us know by filling out the included, postage paid, *Information Change Card*. We will update our records and stop sending you reminder notices.

If you have any questions about this recall, your authorized Honda motorcycle dealer will be happy to assist you.

Sincerely,

**American Honda Motor Co., Inc.
