This Notice applies to your vehicle VIN listed above.

Dear Forest River Customer:

This notice is sent to you in accordance with the requirements of the *Motor Vehicle Safety Act*. This notice is also sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*. Forest River – Office of Corporate Compliance (“OCC”) has decided that a defect, which relates to the motor vehicle safety, exists in certain 2019 Glaval and Star Trans Transit buses. This is to inform you that your vehicle may contain a defect that could affect the safety of a person.

WHAT IS THE DEFECT/NONCOMPLIANCE?

The drivers' upper seat belt restraint anchor bolt and bottom retractor bolt that attach the driver side seat belt assembly to the vehicle's “B Pillar” may not have been fully torqued in the assembly process.

EVALUATION OF THE RISK TO THE VEHICLE AND OPERATOR(S) RELATED TO THE RECALL.

Insufficiently torqued fasteners may cause the assembly to fail in not holding the required load, which may increase the risk of injury in a crash.

WHAT IS FOREST RIVER AND OUR DEALERSHIPS GOING TO DO?

The dealership will inspect the seat belt anchors and torque to the correct specs. Forest River is notifying dealerships of the recall. You may have the recall corrected at any Forest River dealership. However, it is preferable if you have your selling dealership perform the remedy. Forest River completely covers your cost for the remedy; you will not receive any bill of sale for anything covered under the above recall number.

WHAT SHOULD YOU DO?

Please contact your dealer without delay and request a service appointment to schedule the free remedy. The vehicle Owner is responsible for making arrangements to have the work completed. Please state you have been notified by Forest River of having a recall in process for your vehicle and provide the recall number for the dealership. It is also helpful to the dealership to have a copy of this letter when you take your vehicle in for the recall remedy.

You may also visit www.forestriverinc.com for dealer locations.

HOW LONG WILL THE REMEDY PROCESS TAKE?

The estimated time of repair is .50 hours. However, the dealership may need to keep your vehicle or schedule an appointment with you for a later date to fit into their regular service schedule.

WHAT IF YOU HAVE PREVIOUSLY PAID FOR REPAIRS TO YOUR VEHICLE FOR THIS PARTICULAR CONDITION?

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized.

Additionally, you may be eligible for a refund of previously paid repairs. Refunds will only be provided for within the scope of this defect under recall.
