## IMPORTANT SAFETY RECALL

This notice applies to your vehicle, VIN # 1HD1KED19JB [REDACTED]

August 20, 2019

Harley-Davidson Recall No. 0629

NHTSA Recall No. 19V-574

Dear Harley-Davidson Motorcycle Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Harley-Davidson Motor Company, Inc. has decided that certain MY16 and later Touring and CVO Touring motorcycles fail to conform to Federal Motor Vehicle Safety Standard No. 108, *"Lamps, reflective devices, and associated equipment,"* when equipped with H-D Detachables Tour-Pak Luggage Conversion Kits (part numbers 53000291, 53000291A and 53000567). Our records indicate that you have purchased one of these accessory kits. If you own one of these kits AND if your kit is installed on one of the motorcycles listed at the end of this letter, your vehicle may be subject to recall. Please review this letter for important information.

### What is the Issue?

The P&A H-D Detachables Tour-Pak Luggage Conversion Kits (part numbers 53000291, 53000291A and 53000567) were not equipped with reflectors to replace the factory-installed rear reflector, which is removed when installing this kit. Installation of these kits on the vehicle models listed below may cause the vehicle to fail to meet federal regulations that require motorcycles to be equipped with a red reflex reflector on the rear of the motorcycle. Missing reflectors could reduce the rear visibility of the motorcycle to drivers, increasing the risk of a crash.

### What Should You Do?

Please contact your authorized Harley-Davidson motorcycle dealer and arrange an appointment to have reflectors installed. Your dealer will confirm that your motorcycle is covered by this

recall. If covered, the dealer will perform the recall work **at no cost to you**. The installation of the reflectors will take less than a half hour to perform. However, due to scheduling, the dealer may require your motorcycle for a longer period of time.

If you have sold your motorcycle and have an address for the current owner, it is important that you forward this notice to the new owner. Alternatively, you may contact us at the Harley-Davidson phone number listed below and provide us with the new contact information so that we may notify the new owner of this recall.

### **What If You Have Additional Questions or Concerns?**

For more information or if you take your motorcycle to your dealer on a mutually agreed upon date and they are unable to perform the required service to your satisfaction, please contact Harley-Davidson Motor Company, Inc. at 1-800-258-2464 in the U.S. or 1-414-343-4056 worldwide.

If you have previously paid to have this repair performed, you may be eligible for reimbursement. For more information, please contact us at the number above.

If you are still having difficulty getting your vehicle serviced in a reasonable time, you may write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590; or call the toll-free Auto Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We regret any inconvenience this may cause you, but we are initiating this action in the interest of your personal safety and satisfaction with our products. Thank you for your cooperation.

Sincerely,

Harley-Davidson Motor Company, Inc.

Recall 0629
