

BMW Motorrad - Dealer Direct

Parts Update for Recall 19V-697: K67 (S 1000 RR)

As communicated last week in regards to all urgent requests for Recall 19V-697: K67 (S 1000 RR) received through IDS; at this time all requests have been processed and dealers should receive parts in the next few days.

Additionally, an additional shipment of oil coolers have arrived in each RDC. Parts are now open to dealers for normal orders. Please place reasonable orders as needed.

Bikes in RDC inventory will be updated in the next few weeks and made available for allocation.
