

**IMPORTANT SAFETY RECALL**

Safety Recall: 19V-705  
November 2019

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect, which relates to motor vehicle safety, exists in certain Model Year 2014-2018 Precept motorhomes.

***Reason for this recall***

Routing of the hydraulic hoses for the leveling system, may be too close to the exhaust system. Improper routing may cause damage to the hoses and allow oil to leak onto the exhaust system, increasing the risk of a fire. Additionally, a required protective heat shield over the exhaust system may be missing.

***Recall Remedy***

Inspect for proper hose routing and presence of the heat shield and any damages caused by incorrect routing and/or absence of a heat shield. Reroute hoses and install the heat shield as required.

All pertinent information regarding this recall is available under the Service and Parts Tab of our Website. If you need further assistance, please Contact Customer Service at 800-517-9137.

***What we need you to do***

Our records show the following unit is affected by this recall and is currently part of the inventory at your Dealership. The Recall Remedy must be completed on this unit **prior** to customer delivery.

**VIN**

**Federal law** requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration.

We certainly regret this inconvenience; however, our Customers' safety is our most important priority.

Sincerely,  
Jayco Motorized
