IMPORTANT SAFETY RECALL See enclosed VIN list

Subject: Western Star Baggage and Sleeper Doors

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Trucks North America LLC, on behalf of its Freightliner Trucks Division, and wholly owned subsidiaries, Western Star Truck Sales, Inc, has decided that a defect which relates to motor vehicle safety exists on specific Model Year 2017-2020 Western Star 4900 and 5700 model vehicles manufactured November 14, 2016, through September 12, 2019, and equipped with certain baggage and sleeper doors.

On certain vehicles, the baggage and sleeper doors may separate from the hinge assembly. A baggage or sleeper door separating from the vehicle whilst in motion could lead to debris on the road increasing the risk of an injury and/or crash.

For the final repair, reinforcement clips/hinges with mechanical fasteners and stronger gauge screws will be installed on each baggage and sleeper door hinge. **NOTE: All vehicles that had the INT FL834 interim repair preformed still require the stronger gauge screws in the Final repair.**
