# **IMPORTANT SAFETY RECALL**

## **Incompatible Wheels**

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US has decided that a defect, which relates to motor vehicle safety, exists in certain [2019 Model Year (LA) Dodge Challenger, 2019 (LD) Dodge Charger] vehicles.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### **WHY DOES MY VEHICLE NEED REPAIRS?**

Your vehicle <sup>[1]</sup> may have been built with an incompatible front wheel and brake/suspension package that may not have adequate clearance between the tire inner sidewall and the suspension steering knuckle, potentially allowing contact of the components. Contact of the front tire inner sidewall to the steering knuckle could result in tire damage and a sudden loss of tire air pressure. A sudden loss of tire air pressure can cause a vehicle crash without warning.

#### **HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?**

FCA US will repair your vehicle <sup>[2]</sup> free of charge (parts and labor) **after January 3, 2020**. To do this, your dealer will replace your wheels, inspect the tires for any inner sidewall damage and replace if needed and perform a wheel alignment. The estimated repair time is about three hours. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY  
AFTER JANUARY 3, 2020**
