Mfr's Report Date: October 31, 2019

NHTSA Campaign Number: 19V-783

Components:

EQUIPMENT
EQUIPMENT:RECREATIONAL VEHICLE:LPG SYSTEMS

Potential Number of Units Affected: 205

Problem Description:

Gulf Stream Coach, Inc. (Gulf Stream) is recalling certain 2020 Amerilite, Conquest, Innsbruck, Grand River, Kingsport and Trail Master trailers. The gas refrigerator compartment may not be properly sealed, potentially releasing carbon monoxide or flammable unburned Liquid Petroleum (LP) gases throughout the trailer.

Consequence:

If the refrigerator compartment is not properly sealed, carbon monoxide or propane could be released into the trailer, increasing the risk of fire, injury or death.

Remedy:

Gulf Stream will notify owners, and dealers will inspect the gas refrigerator for proper sealing and repair, as necessary. Owners may contact Gulf Stream customer service at 1-800-289-8787. Gulf Stream's number for this recall is 102919.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Gulf Stream's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

NHTSA is missing critical, required information for this safety recall. This information must be supplied through the NHTSA Recalls Portal within 5 working days of confirming its accuracy:

- Your company's program shall include a plan for reimbursing an owner or purchaser who incurred costs to obtain a remedy for the problem addressed by the recall within a reasonable time in advance of your company's notification of owners, purchasers and dealers, in accordance with § 573.13 of this part. Your company's plan may incorporate by reference a general reimbursement plan it previously submitted to NHTSA, together with information specific to the individual recall. Information required by § 573.13 that is not in a general reimbursement plan shall be submitted in your company's report to NHTSA under this section. If your company submits one or more general reimbursement plans, your company shall update each plan every two years, in accordance with § 573.13. Your company's remedy program and reimbursement plans will be available for inspection by the public at NHTSA headquarters (49 CFR 573.6 (c)(8)(i)). If the vehicles are new and would be covered under the manufacturer's warranty program, please state that in the remedy section of your filing.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,
