

**IMPORTANT SAFETY RECALL**  
**RECALL 191126REV**  
**NHTSA 19V861**  
**January 2020**  
**THIS NOTICE APPLIES TO YOUR VEHICLE**

**VIN:**

Model Year 2020 HOLIDAY RAMBLER      Model  
REV RV Serial No:

Dear Valued Holiday Rambler Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REV Recreation Group, Inc. has decided that a safety defect relating to motor vehicle safety exists in certain model year 2020 Holiday Rambler brand Class A diesel motorhomes:

Endeavor      manufactured May 7, 2019 through September 6, 2019

Navigator      manufactured May 21, 2019 through September 17, 2019

***WHAT IS THE PROBLEM?***

On motorhomes affected by this recall, a wire harness/plumbing bundle installed in an articulating (moveable) slideout raceway, may have been improperly wrapped and secured within the slideout raceway. Without the proper securement method, the wire harness/plumbing bundle may become tangled and/or damaged by the metal slideout raceway that extends and retracts with the slideout room.

If the wire harness/plumbing bundle becomes damaged, a fire may result, posing the risk of personal injury or death.

***WHAT SHOULD YOU DO?***

Please make certain your motorhome is immediately inspected and repaired by contacting an authorized REV Recreation Group servicing dealer.

For assistance locating an authorized REV Recreation Group servicing dealer, please call REV Recreation Group Owner Relations toll-free at:

(800) 322-8216

To minimize the safety risk until the corrective measures are implemented, please avoid operating the slideout room switch.

***WHAT WILL REV RECREATION GROUP DO?***

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, REV RV dealers have been supplied with all of the information needed to enable them to inspect, and if necessary, reroute and resecure the wire harness/plumbing bundle. This service will be performed for you free of charge.

The repair should take approximately one hour to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time.

When you deliver your motorhome for repairs, your dealer will complete a Repair Order. Upon completion of the repair, please sign the Repair Order and fill out the enclosed self-addressed Vehicle/Owner Information Update Card and return it to REV Recreation Group.

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

Alternately, you may use a smart device and the QR code at right to navigate to the online owner update form, or visit:

<https://www.holidayrambler.com/change-of-ownership>

If you have paid to have this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information, please contact REV Recreation Group Owner Relations at (800) 322-8216.

***For leased vehicles - Any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.***
