This Notice applies to your vehicle VIN listed above.

Dear Forest River Customer:

This notice is sent to you in accordance with the requirements of the *Motor Vehicle Safety Act*. This notice is also sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*. Forest River – Office of Corporate Compliance (“OCC”) has decided that a defect, which relates to the motor vehicle safety, exists in certain 2020 Forest River Georgetown and FR3 motorhome recreational vehicles. This is to inform you that your vehicle may contain a defect that could affect the safety of a person.

### **WHAT IS THE DEFECT/NONCOMPLIANCE?**

Per the notice received from MORryde: "The hitch is attached to the chassis using 6 bolts that are recommended to be torqued to 80 ft/lb. Some of the bolts are not torqued to the recommended ft/lb."

### **EVALUATION OF THE RISK TO THE VEHICLE AND OPERATOR(S) RELATED TO THE RECALL.**

Loose hitch bolts could cause the hitch to come unfastened from the chassis if the RV owner is using the hitch to tow a vehicle or trailer. Which can increase the risk of a crash

### **WHAT IS FOREST RIVER AND OUR DEALERSHIPS GOING TO DO?**

Forest River is notifying dealerships of the recall. You may have the recall corrected at any Forest River dealership. However, it is preferable if you have your selling dealership perform the remedy. Forest River completely covers your cost for the remedy; you will not receive any bill of sale for anything covered under the above recall number.

### **WHAT SHOULD YOU DO?**

Please contact your dealer without delay and request a service appointment to schedule the free remedy which will include checking the torque on the hitch bolts and torquing to the required 80 ft/lb if needed. The vehicle Owner is responsible for making arrangements to have the work completed. Please state you have been notified by Forest River of having a recall in process for your vehicle and provide the recall number for the dealership. It is also helpful to the dealership to have a copy of this letter when you take your vehicle in for the recall remedy.

You may also visit [www.forestriverinc.com](http://www.forestriverinc.com) for dealer locations.

### **HOW LONG WILL THE REMEDY PROCESS TAKE?**

The estimated time of repair is .25 hours. However, the dealership may need to keep your vehicle or schedule an appointment with you for a later date to fit into their regular service schedule.

### **WHAT IF YOU HAVE PREVIOUSLY PAID FOR REPAIRS TO YOUR VEHICLE FOR THIS PARTICULAR CONDITION?**

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized.

Additionally, you may be eligible for a refund of previously paid repairs. Refunds will only be provided for within the scope of this defect under recall.
