Country : China

**Chronology :**

On 12/05/19 we were informed that a shipment of vehicles put on display a few days earlier at our Las Vegas dealership had AS2 glass windshields.

**Description of Remedy :**

Description of Remedy Program :	Certified AS1 Glass windshields have been sent to the dealer and all cars being displayed will be immediately. The car on the showroom floor will be changed along with other vehicles on the lot. Research is being done to see if any cars with non-compliant glass were sold and delivered.
How Remedy Component Differs from Recalled Component :	AS 1 glass with NHTSA certification is the replacement from Nantong Yixin Glass Company
Identify How/When Recall Condition was Corrected in Production :	All cars have been checked and most had AS1 glass. The production team dis guarded all AS2 glass as this was sent from the supplier in error.

**Recall Schedule :**

Description of Recall Schedule :	Dealer is reporting the manufacturer if any cars were delivered over the past few months if any shipped with the wrong windshield.
