Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG (“MBAG”), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year (“MY”) 2018 S-Class (222 platform) vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the CONCERN?

MBAG has determined that on certain Model Year (“MY”) 18 S-Class vehicles (222 platform), the front axle may be equipped with front brake components (brake discs, calipers, and pads) with different dimensions than specified for the vehicle. Incorrectly sized brake components could lead to the wrong replacement components being fitted to the vehicle during brake repairs, possibly affecting braking performance and increasing the risk of a crash.

What will your DEALER DO?

An authorized Mercedes-Benz dealer will replace the affected front brake components on the affected vehicles. **This service will be provided free of charge.** We are dedicated to always delivering the best customer experience, and respect for your time is a top priority. While the minimum repair time can be less than 3 hours, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle which may increase the required working time.

What should YOU DO?

To find the most convenient authorized Mercedes-Benz dealer from your smartphone, scan the QR code to the left.

For additional information and to schedule an appointment, please contact your preferred authorized Mercedes-Benz dealer at your earliest convenience. To locate authorized dealers see www.MBUSA.com/recall. **Please mention you are scheduling an appointment to replace the front brake system under Recall Campaign # 2020030020.**

You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.
