Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler AG (DAG), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2016 and 2017 Mercedes-Benz vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the CONCERN?

Certain Model Year 2016 and 2017 GLE550e vehicles (166 platform) may have been fitted with a tire pressure label on the B-pillar that lists incorrect seating capacity figures and tire dimensions for the front and rear axles. If the incorrect sized tires were installed it would affect the speedometer reading, which may increase the risk of a crash.

What will your DEALER DO?

An authorized Mercedes-Benz dealer will check the label and order a replacement if necessary. This service will be provided free of charge. We are dedicated to always delivering the best customer experience, and respect for your time is a top priority. While the minimum repair time may be less than **30 minutes**, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time.

What should YOU DO?

To find the most convenient authorized Mercedes-Benz dealer from your smartphone, scan the QR code to the left.

For additional information and to schedule an appointment, please contact your preferred authorized Mercedes-Benz dealer at your earliest convenience. To locate authorized dealers see www.mbusa.com/recall. **Please mention you are scheduling an appointment to check the B-pillar label under Recall Campaign # 2018010010.**

You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.
