

SAFETY RECALL NOTICE
NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION
CAMPAIGN NO: 20E-004

March 15, 2020

This notice is sent to you in accordance with the requirements of 49 CFR 577.13.

FMS Seating has determined the Eleganza Collection Foldaways, the 325 Foldaway and the 315 seat manufactured between August 2019 and January 2020 may have a defect which may increase the risk of occupant injury in the event of a vehicle collision. These seats may have been manufactured using seat belt retractors supplied to us that may not be compliant to FMVSS 209. In addition, if you were sent our 33354 seat belt retractor as a replacement part during the same timeframe this retractor also may not be compliant.

Upon receipt of this Recall Notice, FMS is requesting you provide notification of this Safety Recall of the subject seats to your Dealer and Customer/Owner.

To correct this condition, FMS will facilitate the inspection and any necessary repairs. Videos illustrating the inspection can be found here:

www.fmsseating.com/instructions/m2k-jss-retractor

After seat inspection the customer must complete the form found in the above link. It is important to complete the form whether the seat belt retractors were found compliant or not. If the seat belt retractor(s) were found defective, we will send you replacement(s) using the information submitted via the online form.

Replacing the retractors on these seats is expected to take 30 minutes per seat. FMS will reimburse the cost of repairs related to this recall including parts and labor. The reimbursement will be \$50/belt.

Upon completion of the recall repair work the Customer **must** file a claim with FMS Customer Service for reimbursement referencing FSC Recall #20E004 on the claim.

If your purchase order history of this seat has not been included with this notification, we can provide this upon request.

Should you have any vehicle(s) in inventory that require recall repair work please make certain these vehicles are corrected prior to sale. FMVSS 577.13 states it is a violation of Federal law for a manufacturer/dealer to deliver a new motor vehicle covered by this notification under sale or lease until the defect is remedied.

If you have any questions pertaining to this recall, please call FMS at 574-542-2001.

Thank you for your prompt review.
