Dear Mr. Crutcher:

This letter serves to acknowledge Harbor Freight Tools's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

PITTSBURGH AUTOMOTIVE/6 TON STEEL JACK STANDS/9999

**Mfr's Report Date:** March 20, 2020

**NHTSA Campaign Number:** 20E-016

**Components:**

EQUIPMENT:MECHANICAL:JACKS

**Potential Number of Units Affected:** 454,000

**Problem Description:**

Harbor Freight Tools (Harbor Freight) is recalling certain Pittsburgh Automotive 6 Ton Heavy Duty Steel Jack Stands, part number 61197. The ratchet teeth on the jack stands may not sufficiently engage the pawl to a sufficient depth, possibly causing the stand to fail under load.

**Consequence:**

If the stand fails, the stand can suddenly drop, increasing the risk of injury to persons nearby or under the lifted vehicle.

**Remedy:**

Harbor Freight will notify owners, and stores will provide, in exchange for return of the jack stands, a gift card equal to the shelf price of the jack stands, free of charge. Owners are asked to immediately discontinue use of the jack stands for safety concerns. The manufacturer has not yet provided a notification schedule. Owners may contact Harbor Freight customer service at 1-800-444-3353 or [Recalls@HarborFreight.com](mailto:Recalls@HarborFreight.com).
