<b>Subject</b>	New Part Number and Availability for Honda Ridgeline Accessory Tonneau Cover						

Dear Honda Dealer Parts Manager,

On September 18th, American Honda Parts Operations Campaign Group issued a Part Stop Sale/Return Request to all Honda dealers regarding the 2017-2020 Ridgeline accessory tonneau cover. This notification stated that 2017-2020 Ridgeline vehicles may have an improperly attached Honda Genuine Accessory tonneau cover, which may detach while driving causing a possible road hazard.

A countermeasure repair has been established for the 2017-2020 Ridgeline accessory tonneau cover and a new part number has been issued.

**New 2017-2020 Ridgeline Accessory Tonneau Cover Part Number is: 08Z07-T6Z-101F**

This part number will be available starting the week of October 12th.

Thank you,
