**IMPORTANT SAFETY RECALL
RECALL CAMPAIGN 20E071
DOMETIC ANNOUNCES RECALL OF R1731, R2131 AND S31
SERIES RECREATIONAL VEHICLE COOKING STOVES**

This notice applies to ALL OEM, DEALER, DISTRIBUTORS, AND OWNERS
of the Dometic R1731, R2131 and S31 series COOKING STOVES

ELKHART, IND. – Dometic Corporation announces it is voluntarily recalling the R1731, R2131 and S31 series cooking stoves that may have a potential safety related gas leak at the saddle valve connection to the manifold. The recall affects these models manufactured between November 2018 and July 9, 2020. For details call 1-888-446-5157, email recall@dometic.com or visit www.dometic.com/en-us/us/support/recall-information

Dometic is committed to making the best products that enable our customers to live a mobile lifestyle. Dometic's customer's safety is of the highest priority and apologizes for any inconvenience this may cause. Rest assured Dometic will execute a remedy at no charge to the end user as quickly as possible.
