

Part 573 Safety Recall Report

20E-087

Manufacturer Name : JDM ASTAR LLC

Submission Date : NOV 20, 2020

NHTSA Recall No. : 20E-087

Manufacturer Recall No. : NR

Manufacturer Information :

Manufacturer Name : JDM ASTAR LLC

Address : 15306 Valley Blvd

City of industry CA 91746

Company phone : 2839375

Population :

Number of potentially involved : 3,400

Estimated percentage with defect : 100 %

Equipment Information :

Brand / Trade 1 : JDMASTAR

Model : T1-H11 Headlamp

Part No. : T1-H11 Headlamp

Size : NR

Function : NR

Descriptive Information : The only affected components are the T1-H11 headlamp, and was marketed as a replaceable headlight on vehicles. The recall does not include bulbs sold outside the United States.

Production Dates : NOV 01, 2018 - SEP 25, 2020

Description of Noncompliance :

Description of the Noncompliance : The H11 replaceable light source's maximum luminous flux was above the maximum limit during the first ten minutes, then falls within legal limits; there are dimensional requirements that were not met in that there are no resistive filaments; and does not conform with marking requirements.

FMVSS 1 : 108 - Lamps, reflective devices, and assoc. Equipment

FMVSS 2 : NR

Description of the Safety Risk : The maximum luminous flux was above the maximum limit, and may cause excessive brightness for the first ten minutes of use. At this time, there are no known instances of crashes or injuries caused by excessive brightness by use of this bulb.

Description of the Cause : NR

Identification of Any Warning that can Occur : NR

Involved Components :

Component Name : H11 Replaceable Light Source

Component Description : LED Headlamp

Component Part Number : T1-H11

Supplier Identification :**Component Manufacturer**

Name : 360 International Group, Ltd.

Address : Rm. 1902 Easey Comm. Bldg. 253-261
Hennessy Road Hong Kong FOREIGN STATES 510665

Country : China

Chronology :

September 25, 2020 - Letter was issued to JDMASTAR from NHTSA related to potential FMVSS No. 108 non-compliance regarding its H11 replaceable light source. On or about the same date, out of an abundance of caution, JDMASTAR pulled the H11 replaceable light source from its sales catalogue.

On October 16, 2020 - JDMASTAR responded to NHTSA's request for information letter.

On November 18, 2020 - JDMASTAR conferred with NHTSA.

On November 20, 2020 - A decision by JDMASTAR was made to voluntarily recall it's H11 replaceable light source.

Description of Remedy :

Description of Remedy Program : JDMASTAR will send a recall notice to all purchasers of the H11 replaceable light source bulb, and allow customers to return the bulb for a full refund.

How Remedy Component Differs from Recalled Component : The component was marked as a T1-H11 replaceable head light.

Identify How/When Recall Condition was Corrected in Production : Unknown. JDMASTAR is not the manufacturer. The manufacturer was contacted and made aware of the issue. JDMASTAR has ceased its sales of the T1-H11 bulb on or around September 25, 2020. JDMASTAR will no longer sell the T1-H11 LED headlamp.

Recall Schedule :

Description of Recall Schedule : JDMSTAR will send out the notice by email or notice by mail within 60 days from the approval of the recall notices.

Planned Dealer Notification Date : NR - NR

Planned Owner Notification Date : JAN 04, 2021 - MAR 01, 2021

Purchaser Information :

The following manufacturers purchased this defective/noncompliant equipment for possible use or installation in new motor vehicles or new items of motor vehicle equipment:

Name : NR

Address : NR

NR

Country : NR

Company Phone : NR

* NR - Not Reported
