

Safety Recall W03 Transmission Valve Body

Part Number Update

MARCH 2020

Please note the Dealer Instructions for Safety Recall W03 have been updated and the part number for the plate kit has been updated from CSKLW031AA to CSKLW031AB. Please order the AB level for this recall.

- **Use part CSKLW031AB moving forward as any requests for the previous part number will not be filled.**

There have been no changes to the gasket kit part number.
