Subject: Safety Recall 20BX – Fuel Tank Heat Shield Bracket

Dear Audi Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Audi has decided that a defect, which relates to motor vehicle safety, exists in certain 2016-2019 Audi TT Roadster quattro and TT Coupe quattro vehicles. Our records show that you are the owner of a vehicle affected by this action.

What is the issue? In a frontal crash, the fuel tank could be damaged by a fuel tank heat shield bracket. Damage to the fuel tank may cause a fuel leak. Leaking fuel, in the presence of an ignition source, may lead to a fire.

What will we do? To correct this defect, your authorized Audi dealer will install a protective cap on the fuel tank heat shield bracket. This work will take about an hour to complete and will be performed for you free of charge. Please keep in mind that your dealer may need additional time for the preparation of the repair, as well as to accommodate their daily workshop schedule.

What should you do? Please contact your authorized Audi dealer without delay to schedule this recall repair. For your convenience, you can also visit www.audiusa.com and click on the “Find a Dealer” link to locate a dealer near you and schedule this service.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Can we assist you further? If your authorized Audi dealer fails or is unable to complete this work free of charge within a reasonable time, please contact Audi Customer Experience at 1-800-253-2834 or via our “Contact Us” page at www.audiusa.com.
