

INTERIM NOTICE

April 10, 2020

Attention: All Kia Parts & Service Managers

This is an interim notice as Kia is currently working on the remedy part.
The purpose of this communication is to keep you informed of Kia's recall implementation plan. We will send you another notice when the remedy part becomes available.

Kia Motors America, Inc., pursuant to the National Traffic and Motor Vehicle Safety Act, is conducting a Safety Recall Campaign on all 2011-2012 MY Kia Sedona vehicles, manufactured from March 3, 2010 through August 14, 2012. The fuel rail may develop a small heat induced crack as a result of exposure to heat generated within the engine compartment under certain circumstances. If the fuel rail develops a crack, fuel smell and eventually a fuel leak can occur. Leaking fuel increases the risk of a fire, thereby increasing the risk of injury.

The Technical Service Bulletin (TSB) that provides Vehicle Repair Procedures, Affected VIN Production Range, and Warranty Claim Information will be posted on the Kia Global Information System (KGIS) at www.kiatechinfo.com once the remedy part is available.

Enclosed you will find a copy of the interim owner notification letter and a Q&A Guide for recall questions, both of which describe the issue. Note that any vehicle owners who have already paid for repairs related to a leak in the fuel rail can submit a request for reimbursement online via the Owner's Section of www.kia.com.

Kia will mail interim notices to the affected vehicle owners beginning on **April 16, 2020. A follow-up notice will be mailed once the remedy part becomes available.**

Also, please make certain the appropriate personnel in your dealership are familiar with the details of this recall to ensure proper responses to customer inquiries and requests to have the recall performed on their vehicles. This Safety Recall represents an opportunity for your service department to deliver an exceptional service experience (e.g. flexible service appointment process, car wash and vacuum and timely service).

NHTSA ADVISORY: It is a violation of Federal law for a dealer to deliver a new motor vehicle covered by this notification under a sale or lease until the defect is remedied.

LEGAL PRIVACY LIABILITY NOTICE: Pursuant to the terms of the Dealer Sales and Service Agreement and the Gramm-Leach-Bliley federal consumer privacy act, you are required to keep confidential any and all information and documents provided to you by Kia Motors America, Inc. or generated by you in the conduct of carrying out work under that Agreement regarding Kia vehicle purchasers and owners, including but not limited to warranty claim information. Kia dealers may use such owner information for the sole purpose of conducting and performing this safety recall campaign, and for no other purpose.

If you have any questions, please contact your Kia District Parts and Service Manager.

Sincerely,

Kia Service Department
