Please review the following information to ensure that it conforms to your records as this information is being made available to the public. **Makes/Models/Model Years:**

BLUE BIRD/ALL AMERICAN/2020-2021  
BLUE BIRD/VISION/2020-2021

**Mfr's Report Date:** May 8, 2020

**NHTSA Campaign Number:** 20V-258

**Components:**

PARKING BRAKE

**Potential Number of Units Affected:** 1,585

**Problem Description:**

Blue Bird Body Company (Blue Bird) is recalling certain 2020-2021 Vision and All American school buses. The foot pedal parking brake assembly may have been improperly assembled possibly resulting in a failure to hold the vehicle stationary on an incline when the vehicle is loaded to its maximum weight. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 105, "Hydraulic and Electric Brake Systems."

**Consequence:**

Unintended vehicle movement can increase the risk of a crash.

**Remedy:**

Blue Bird will notify owners, and dealers will inspect the foot pedal parking brake assembly application force and adjust it as necessary, free of charge. The recall is expected to begin July 3, 2020. Owners may contact Blue Bird customer service at 1-478-822-2242. Blue Bird's number for this recall is R20AP-SB.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please identify whether the parking brake assembly error is the result of a Blue Bird installation issue or if the Orscheln Foot pedal assembly was incorrectly assembled as Blue Bird purchased it.
