Subject: ABS Malfunction Indicator May Not Light/FMVSS 105

Dear Mr. Imundo:

This letter serves to acknowledge Navistar, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

INTERNATIONAL/CV/2019-2020

Mfr's Report Date: May 20, 2020

NHTSA Campaign Number: 20V-285

Components:

ELECTRICAL SYSTEM: SOFTWARE
SERVICE BRAKES, HYDRAULIC
SERVICE BRAKES, HYDRAULIC:ANTILOCK:ABS WARNING LIGHT
SERVICE BRAKES, HYDRAULIC:ANTILOCK:CONTROL UNIT/MODULE

Potential Number of Units Affected: 2,805

Problem Description:

Navistar, Inc. (Navistar) is recalling certain 2019-2020 International CV vehicles. Due to a software error, the Antilock Braking System (ABS) malfunction indicator does not light when there is a loss of communication between the Electronic Brake Control Module (EBCM) and the Body Control Module (BCM). As such, these vehicles fail to comply with Federal Motor Vehicle Safety Standard (FMVSS) number 105, "Hydraulic and Electric Brake Systems."

Consequence:

If the malfunction warning does not light, the driver may be unaware of an inoperative ABS or Automatic Traction Control (ATC) system, increasing the risk of a crash.

Remedy:

Navistar will notify owners, and dealers will program the BCM software with a new calibration, free of charge. This recall is expected to begin June 19, 2020. Owners may contact Navistar customer service at 1-800-448-7825. Navistar's number for this recall is 20505.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,
