Dear Dealer:

This **Safety Recall Notice** is sent to you in accordance with the requirements of the United States National Traffic and Motor Vehicle Safety Act and is important for your safety.

Thor Motor Coach (TMC) decided that a defect which relates to motor vehicle safety exists in certain model year 2020/2021 Ace, Axis, Chateau, Compass, Delano, Four Winds, Gemini, Hurricane, Omni, Outlaw, Quantum, Vegas, and Windsport motorhomes

In certain Lippert Components, Inc. (LCI) 3000-Series frameless windows, there is a potential poor adhesive bond between the hinge extrusion and the latch extrusion to the glass. If the adhesion bond fails where the glass meets the hinge frame, the window glass could partially detach or completely separate. If the window completely separates while the vehicle and/or trailer is in transit, it could become a road hazard, potentially increasing the risk of a crash or injury.

The required action is to perform a pull test on the frameless windows at the vent and replace the vent portion if the glue bond fails during the pull test. The service required should take approximately ½ hour to perform.

Dealers that have stock units impacted by this recall can access the full list of affected VINs sold to their dealership by accessing the “Service Campaign” portion of the TMC Advantage Web Portal. If any unit on this list has been retail sold you are asked to notify the retail owner as soon as possible of this recall because their vehicle was not registered at the time the retail notice was mailed. Please immediately register any retail sold units on this list. **As a reminder, you are required by law to complete this recall on any stock units in inventory prior to retail sale. Any vehicle lessor receiving this notice must forward a copy to the lessee within 10 days.**

If you have questions concerning this recall, please contact the **TMC Warranty/Service Department** by mail at TMC, P.O. Box 1486, Elkhart, IN 46515-1486, by phone at 877-500-1020, or by email at Recalls@TMCRV.com.

We apologize for this inconvenience; however, we have taken this action in the interest of customer safety and continued satisfaction with our products.

Sincerely,

Hanah Klodzinski
Recall Compliance Coordinator
