SAFETY RECALL NOTICE: 20V341

TO: Affected KME Dealers

KME has decided that a defect which relates to motor vehicle safety exists in certain model year 2011-2020 KME vehicles manufactured from June 2010 through November 2019.

Vehicles included in this recall have a Telma retarder that may have been installed with incorrect fasteners. The incorrect fasteners may vibrate loose allowing the retarder to separate from the vehicle.

KME or its dealers will inspect the mounting hardware on axial retarders and replace any incorrect hardware found at no cost to the vehicle owner. Estimated time for the remedy is 1.5 hours.

Please be reminded that it is a violation of Federal law for you deliver a new motor vehicle or any new or used item of motor vehicle equipment covered by this notification until this defect has been remedied. Substantial civil penalties apply to violations of this law.

Your assistance with this recall is appreciated. Should you have any questions or concerns, please contact KME Customer Service at (570) 669-5230.

Sincerely,

KME, Inc.
