**Problem Description:**

Keystone RV Company (Keystone) is recalling certain 2019-2020 Keystone Carbon, Cougar, Fuzion, Impact and Raptor fifth-wheel trailers equipped with a Furrion over the air (OTA) wing-style television antenna. The antenna may separate from the mounting base during transit, becoming a road hazard.

Keystone will notify owners, and dealers will replace the Furrion wing-style antenna with a Winegard dome-style antenna, free of charge. The recall is expected to begin August 31, 2020. Owners may contact Keystone customer service at 1-866-425-4369. Keystone's number for this recall is 20-381.
