To: All General Motors Dealers:

This bulletin has been revised to remove Buick Enclave and GMC Acadia vehicles from stop sale, as parts are now available.

Technicians are reminded to NOT deploy roof rail airbag(s) after removal.

Warning: Do not deploy or dispose of removed roof rail airbag(s) until you receive revised disposal/deployment instructions. Airbag components could separate from the module during deployment and cause serious injury. Do not use the airbag deployment instructions in Service Information (SI). Removed airbags should be stored or quarantined in a safe location until revised roof rail airbag deployment instructions are provided.

Please hold all warranty transactions until 08/13/20.

Please discard all previous copies of bulletin N202305380.
