Dear «Owner\_name»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Thor Motor Coach (TMC) has decided that a defect which relates to motor vehicle safety exists in certain model year 2019-2021 Hurricane and Windsport motorhomes. As a result, TMC is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for  
this recall***

It has been discovered that certain model year model year 2019-2021 Hurricane and Windsport motorhomes were manufactured with a Firefly Integrations electronic control center that contains a defective G9 control circuit board. When the G9 control board is subject to a voltage load greater than 17 volts, components on the board may become damaged. If the damaged components allow continuous conduction of the higher voltage, it could result in a fire, which could result in property damage, personal injury or death.

***What we  
will do***

TMC has contacted your selling dealer and has instructed them on install the required G9 Protection Module. This will be done at no cost to you the owner. The remedy could take up to thirty (30) minutes to perform.

***What we need  
you to do***
