Subject: Grapple Tines Load Holding Grip May Loosen

Dear Mr. Chard:

This letter serves to acknowledge Altec Industries Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ALTEC/EC505/2018-2020
ALTEC/EC655/2018-2020

Mfr's Report Date: August 25, 2020

NHTSA Campaign Number: 20V-501

Components:

EQUIPMENT

Potential Number of Units Affected: 30

Problem Description:

Altec Industries Inc. (Altec) is recalling certain 2018-2020 EC505 6S+3S and EC655 6S+6S vehicles. The load holding grip of the grapple tines may loosen, resulting in a loss of load control.

Consequence:

Loss of load control may increase the risk of death or injury.

Remedy:

Altec will notify owners, and dealers will install a counterbalance valve with a lower pressure ratio to increase the opening threshold, free of charge. The recall is expected to begin October 14, 2020. Owners may contact Altec customer service at 1-877-462-5832. Altec's number for this recall is CSN 773.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

Joshua Neff
