**Subject:** Loss of Electric Power Steering Assist

Dear Ms. Carto:

This letter serves to acknowledge General Motors LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

CHEVROLET/CAPRICE POLICE PURSUIT/2014-2016

**Mfr's Report Date:** August 27, 2020

**NHTSA Campaign Number:** 20V-515

**Components:**

STEERING:ELECTRIC POWER ASSIST SYSTEM

**Potential Number of Units Affected:** 95

**Problem Description:**

General Motors LLC (GM) is recalling certain 2014-2016 Chevrolet Caprice Police Pursuit vehicles (PPV), that were inspected, but may still have a steering gear recalled under recalls 17V-265 or 16V-160. The connector between the electric power steering module and the torque sensor may fail, possibly resulting in a loss of electric power steering assist.

**Consequence:**

A greater steering effort would be needed to control the vehicle if power steering assist is lost, especially at lower speeds, increasing the risk of a crash.

**Remedy:**

GM will notify owners, and dealers will inspect the steering gear assembly, replacing any that are not of the approved part numbers, free of charge. The recall is expected to begin October 12, 2020. Owners may contact Chevrolet customer service at 1-800-222-1020. GM's number for this recall is N202306620.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received GM's proposed owner notification letter and have approved it for distribution.

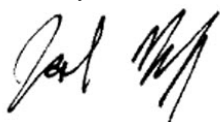

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be DeMara Magruder who may be reached by phone at (202) 366-8538, or by email at demara.magruder@dot.gov. We look forward to working with you.

Sincerely,

Joshua Neff  
Chief, Recall Management Division  
Office of Defects Investigations
