

## FOLLOW-UP NOTICE

November 24, 2020

### **Attention: All Dealer Principals**

This is a follow-up to the notice sent to you on October 20, 2020.

***The purpose of this communication is to inform you that a remedy is now available for this campaign.***

Kia Motors America, Inc., pursuant to the National Traffic and Motor Vehicle Safety Act, is conducting a Safety Recall Campaign. Kia Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2019 MY Kia Stinger vehicles equipped with the 3.3-liter Gasoline Direct Injection (GDI) Turbo engines. An engine compartment fire may occur while driving in the area where the Hydraulic Electronic Control Unit (HECU) is located, thus increasing the risk of injury.

Your Service Manager was sent a copy of the follow-up owner notification letter and a Q&A guide for recall questions both of which describe the issue and information on how to access the list of affected vehicles.

Kia will mail follow-up notices to the affected vehicle owners on **November 30, 2020**.

**NHTSA ADVISORY: It is a violation of Federal law for a dealer to deliver a new motor vehicle covered by this notification under a sale or lease until the defect is remedied.**

Please make certain the appropriate personnel in your dealership are familiar with the details of this recall campaign to ensure proper responses to customer inquiries and requests to have the campaign performed on their vehicles.

**LEGAL PRIVACY LIABILITY NOTICE:** Pursuant to the terms of the Dealer Sales and Service Agreement and the Gramm-Leach-Bliley federal consumer privacy act, you are required to keep confidential any and all information and documents provided to you by Kia Motors America, Inc. or generated by you in the conduct of carrying out work under that Agreement regarding Kia vehicle purchasers and owners, including but not limited to warranty claim information. Kia dealers may use such owner information for the sole purpose of conducting and performing this safety recall campaign, and for no other purpose.

Your prompt attention in completing this recall campaign is appreciated. If you have any questions, please contact your Kia District Parts & Service Manager.

Sincerely,

Kia Service Department
