Mfr's Report Date: September 2, 2020

NHTSA Campaign Number: 20V-532

Components:

EQUIPMENT:APPLIANCE:REFRIGERATOR

Potential Number of Units Affected: 90

Problem Description:

Gulf Stream Coach, Inc. (Gulf Stream) is recalling certain 2021 Enlighten 25BH travel trailers. The lower front trim strip may be missing from the refrigerator. The front strip is required to make the refrigerator cabinet seal complete, and provides complete isolation of the combustion system from the travel trailer interior.

Without the front trim strip, carbon monoxide or flammable unburned Liquid Petroleum (LP) gases may migrate into the living quarters of the travel trailer, increasing the risk of fire or carbon monoxide poisoning causing occupant injury.

Remedy:

All of the trailers affected by this recall have been repaired and owner letters will not be sent. Owners may contact Gulf Stream customer service at 1-800-289-8787. Gulf Stream's number for this recall is 08312020.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs.
