IMPORTANT SAFETY RECALL

Safety Recall: 20V-600
December 04, 2020

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect, which relates to motor vehicle safety, exists in certain 2021 Anthem, Aspire, Cornerstone, and Reatta XL motor homes manufactured with a Villa 6 way power, driver and passenger seat.

Reason for Recall

Incorrect circuit protection and wire routing/protection may lead to damage, a short circuit or overheated wiring, which could create the risk of a fire.

Recall Remedy

Install proper circuit protection (15A manual reset circuit breaker) and inspect wire routing for correct placement, securement and protection (loom) to prevent possible damage from the seat frame and other sharp edges. All pertinent information regarding this recall is available [under the Applications > Recalls section of the website](#).

What we need you to do

Our records show the following unit is affected by this recall, and is part of the current inventory at your Dealership.

VIN

Before placing an order for the Recall Parts Kit, please confirm the unit serial number requires the Recall Remedy, using CASE RECALL LINES in Jayco Partners. The Instructions for the Recall Remedy are available under the Case Recall 20V-600 (US) and 2020-426 (CN) attachments.

Federal law requires the Recall Remedy completed on this unit **prior** to customer delivery.

If you sold this unit recently, please contact the owner immediately to inform them of this recall. In addition, please register this unit by submitting the Warranty Registration information. Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

We certainly regret this inconvenience; however, our Customers' safety is our most important priority.

Sincerely,
Compliance Management
Jayco Motorized
