IMPORTANT SAFETY RECALL NOTICE

This notice applies to your motorcycle or scooter, VIN

Model:

October 20, 2020
990139

Dear Yamaha Owner:

Yamaha Motor Corporation, U.S.A. has decided that a defect that relates to motor vehicle safety exists in 2015~2020-model YZF-R3 and 2020-model MT-03 motorcycles, and 2018~2020-Model XMAX (CZD300) scooters. Our records indicate you own the affected vehicle show above.

The reason for this recall: In affected motorcycles and scooters, the rear reflector assembly may not comply with motor vehicle safety standards related to reflection luminosity. This is due to condensation or other contaminants adhering to the lens mold that compromised the reflective properties of the lens, increasing the risk of a crash.

What Yamaha and your dealer will do: Your authorized Yamaha dealer will replace your motorcycle's or scooter's rear reflector with one that was properly manufactured. The procedure takes a little less than 15 minutes to perform, but your dealer may need to keep your motorcycle or scooter longer. **There will be no charge to you for this procedure.**

What you should do now: Please call your Yamaha dealer to make a service appointment to have this procedure performed. At that same time, you can find out how long they expect to keep your motorcycle or scooter for this service. Remember to take this letter with you when you take in your motorcycle or scooter.

If you are unable to return to the Yamaha dealer who sold you the motorcycle or scooter, this service will be performed by any authorized Yamaha Motorcycle or Scooter dealer. For the name of a dealer near you, call 1-800-88-YAMAHA or visit the Yamaha web site at www.yamaha-motor.com.
