## IMPORTANT SAFETY RECALL

See enclosed VIN list

### Subject: Eaton ATM Clutch Replacement

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Trucks North America LLC (DTNA), on behalf of its Freightliner Trucks Division and wholly owned subsidiary, Western Star Trucks Sales, Inc., has decided that a defect which relates to motor vehicle safety exists on specific Model Year 2018-2019 Freightliner 108SD, 114SD, 122SD, Business Class M2, and Cascadia vehicles; and Western Star 4700, 4900, and 5700 vehicles manufactured April 10, 2017, through July 2, 2018, equipped with an Eaton (AMT) Automated Manual Transmission clutch assembly.

On certain vehicles, an internal clutch component may be outside specification and fail. In the event of such a failure, transmission of enough driveline torque to overcome the parking brakes while the vehicle is idling in neutral may occur, causing unintended vehicle motion, increasing the risk of property damage or personal injury.

This is the first of two notices you will receive regarding this subject. This letter is to inform you of an upcoming Recall to correct the issue noted above. Daimler Trucks is currently validating the repair. **There is no action for you to take at this time.**

The second notice will inform you when the final remedy is available. **When you receive the second notice**, please contact your authorized Daimler Trucks North America dealer to schedule the Recall for your vehicle.

If you do not own the vehicle that corresponds to the identification number(s) which appears on the Recall Notification, please return the notification to the Warranty Campaigns Department with any information you can furnish that will assist us in locating the present owner. If you have leased this vehicle, Federal law requires that you forward this notice to the lessee within 10 days. If you are a subsequent stage manufacturer, Federal law requires that you forward this notice to your distributors and retail outlets within five working days.
