**Problem Description:**

Jayco, Inc. (Jayco) is recalling certain 2020-2021 Alante, Precept, and Precept Prestige motorhomes and Entegra Vision, Vision XL motorhomes built on a Ford F-53 chassis. The engine covers may not contain sufficient heat insulation, causing the interior surface temperatures to be excessive.

Jayco will notify owners, and dealers will install an additional insulation insert, and a foam seal on the outer edge of the cover, free of charge. The recall is expected to begin December 18, 2020. Owners may contact Jayco customer service at 1-800-283-8267. Jayco's number for this recall is 9903527.

Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).
